PEC University of Technology Campus, Sector 12, Chandigarh
(Ph. No. 0172-2740674)

PROSPECTUS

For admission to

**Government Industrial Training Institute,
Sector 28-C, Chandigarh, Ph. No. 0172-2679016**
&

**Government Industrial Training Institute for Women,
Sector 11-C, Chandigarh, Ph. No. 0172-2740250**

SESSION 2022-2023

Issued under the authority of Director, Technical Education, Chandigarh Administration Chandigarh.

Instructions: Candidates are advised to study the prospectus carefully before applying for admission.

The copy of the prospectus can be downloaded from the website before online registration.

Important Dates

Sr. No.	Date	Particulars
1	20.05.2022	Start Date for online Submission of Admission Form.
2	30.06.2022	Last Date for online Submission of Admission Form.
3	04.07.2022	Display of Provisional Merit List
4	05.07.2022	Notification of Discrepancies by Students up to 3:00 pm
5	07.07.2022	Display of Merit List
6	14.07.2022	Display of Final Admission List with Allocated Trade / Institute

Note: Applicants should report for admission in the respective allocated Government Industrial Training Institute as per the detailed Counseling Schedule given below:

Counseling Dates:

1st Counseling	15.07.2022
2nd Counseling	21.07.2022
Physical Counseling at the Institute	25.07.2022 to 30.07.2022
Walk-In-Admission (subject to the availability of seats)	01.08.2022 to 15.08.2022

Note 1: Applicant must bring computer generated copy of his/her application form along with all the requisite photo-copy documents self-attested as well as originals at the time of counseling for verification.

Note 2: It is compulsory for the applicant to attend and deposit fee after taking admission in each and every counseling in the respective allotted institute failing which he / she will lose the right to admission in the subsequent counseling.

Note 3: After completion of the admission process, the last paid admission fee will be taken into account for all purposes and all other earlier paid admission fees, if any will be refunded back in due course of time.

Note 4: All disputes will be subject to Chandigarh jurisdiction only.

Conditions

- (i) Candidates applying for admission should attain the age of 14 years as on 01.08.2022.
- (ii) Candidate should be physically fit for the work involved in the trade for which they are to be trained.
- (iii) He/she should be of good moral character.

Candidate will get admission on the basis of merit of marks obtained in the qualifying exam mentioned against each trade.

(IMPORTANT INSTRUCTIONS FOR THE CANDIDATES):

- 1. Original certificates, testimonials and two Latest passport size photographs (Coloured) are mandatorily required at the time of Counseling for Admission.**
- 2.** No separate letters will be sent to the candidates for counseling. Candidates should report 15 minutes before the prescribed time and if any candidate does not report on the schedule date and time of counseling, his/her candidature will be debarred.
- 3.** The admission will strictly will be made on merit i.e. on the basis of marks obtained in the entry qualification of each trade mentioned in the prospectus.
- 4. Fees will be required to be deposited on the spot at the time of counseling.** Candidates not depositing the same will not be admitted and their seat will be offered to the next candidate in order of merit. Fee schedule for both the institutes is given separately institute wise.
- 5.** The procedure of submitting the application form is given below.
- 6. The seats remaining vacant even after last counseling will be filled on Merit basis subject to availability of seats from 01.08.2022 to 15.08.2022**
- 7. List of Documents to be uploaded under Document Upload Section of online admission form :**
 - Matric (10th) Class Detail Mark Certificate
 - 8th Class Detail Mark Certificate if opted for trades based on 8th pass.
 - Character Certificate from institution last attended. In case of Gap, Character Certificate to be attested by the Gazette Officer/ Sarpanch/ MC
 - Aadhar Card
 - Category Certificate
 - Income Certificate in case of Economically Weaker Section
 - Sports Gradation Certificate (issued by Directorate of Sports)
 - NCC certificate
 - NSS certificate

PROCEDURE TO FILL/SUBMIT ON-LINE APPLICATION FORM.

STEPS TO FOLLOW:

Step 1: Online Registration

- Click on Sign Up to register on website by filling email ID, Mobile Number and Name (Spellings of Name must be same as in Class 8th / Class 10th marks sheet/certificate, as essential qualification of the respective trade).
- **Mobile Number will be the Login ID and Password will be sent to your registered mobile number through SMS.**

- **In Case SMS is not received by applicant within 15 minutes, Forget Password link can be used to generate password.**
- Candidate can change the password, if he/she desires.
- Candidate will be able to Login to the admission portal by using the password in all future visits to this portal.
- Pay Registration Fee of Rs. 70/- online to proceed further to fill application form. **Registration Fee is not Refundable.**
- Payment verification will take maximum up to 24 hours. You can verify your payment by using the option **Payment Verification** on the website (**Note: Transaction number will be used to verify the status of transaction**).
- **A candidate can apply for Multiple Trades / Institutes with the same User id and Password.**
- Check prospectus for details concerning trades of both the GITI's and Read the rules and regulations thoroughly before filling the Application form.

Step 2: Login to apply for courses

- Click on **APPLICATION FORM** and fill the required information.
- Instruction page will be displayed once the candidate selects the Trades.
- The candidate must check the filled application form thoroughly before submitting.

Checklist for Filling Online Application Form

1. The applicants are required to keep the below listed information/documents ready before filling the form:

- Matric (10th) detail mark certificate (as required).
- 8th Class detail mark certificate (as required). if opted for trades based on 8th pass.
- In order to calculate percentage of marks, refer page no. 28 of prospectus.
- Scanned passport size photo of the applicant (not more than 50kb)
- Scanned signature of the applicant (not more than 50kb)
- Scanned Copies of Testimonials/Documents (.pdf format only)
- Scanned copy of Adhaar Card.
- Email Id of the applicant (Mandatory)
- Mobile Number of the applicant and the parents (Applicant will receive acknowledgment of the filled Online Form through SMS on his/her mobile number)
- Applicant's Bank Name, Account Number, IFSC Code of Branch (If allotted)

2. The applicants are advised to read the prospectus before filling the online application form.

3. An applicant can apply online only. There is no offline mode for submission of application form.

4. Each section of the online application form should be completed carefully.

5. Give the name of Board from which the qualifying examination has been passed.
6. For admission, fraction of marks less than the requisite percentage shall not be rounded off to the advantage of the candidates i.e. 32.9%, 39.9% and 49.9% shall not be rounded off to 33%, 40% and 50% etc.
7. No separate communication will be sent to the applicants for attending the physical counselling and all the information/updates will be available on this website and the online prospectus.
8. The admission will be based on merit, which will be calculated on the basis of marks obtained in qualifying examination.
9. The applicant should note the Application Form No. generated after online submission of form.

How to Apply Online for Trades / Institutes

- Login to the website. Click on APPLICATION FORM.
- Instruction page will be displayed once the candidate select the given options.
- After this the application form will be displayed to the candidate.
- Candidate will have to fill details in various columns as required.
- Candidate will have to upload scanned copies all his/her certificates/ testimonials.
- Candidate will also be required to upload his/her photograph as well as scanned signature.
- Candidate will be able to view and can modify the information before final submission of the online application form. No editing is possible in the form by the candidate after the final submission.
- Candidates are required to print the application form and bring the form along with self-attested copies of relevant testimonials along with their originals at the time of admission.

Note :

- A candidate can apply for Multiple Trades / Institutes with the same User id and Password**
- All the information to the Candidates would be sent on his/her Registered Mobile Number**

Applicants can submit their online application form by uploading the details on the web portal, by logging on to admission website. After uploading the details, the Registration No. will be conveyed to the applicant by SMS on his/her registered mobile number.

- Note:-**
- (i) If a reserve category applicant falls under general category merit list the applicant will be given admission in the general category only, so the applicant must report as per the admission counselling schedule.
 - (ii) Applicants seeking admission against **Sports quota must submit gradation certificate** from Director of Sports.
 - (iii) Incomplete application forms submitted online will not be considered.
 - (iv) Certificate of Dependents of Defence in action as well as Wards of Freedom fighters duly signed and verified from the 1st Class Magistrate of area or competent authority of the services concerned.
 - (v) Certificate of disabled for handicapped Trainees, duly signed and verified by P.M.O.

- (vi) In case of Economic Weaker section candidate will have to submit income certificate based on the economic index and issued by competent authority
- (vii) During training, the trainees will not be allowed to pursue any other course of study.

ABOUT DIRECTORATE OF TECHNICAL EDUCATION,

UNION TERRITORY, CHANDIGARH

Directorate of Technical Education, Union Territory, Chandigarh
PEC University of Technology Campus,
Sector 12, Chandigarh-160012
Tel. No. +91-0172-2740674, Fax No. 0172-2740678

The Directorate of Technical Education was set up on the formation of Union Territory, Chandigarh in November, 1966. This Directorate is headed by Sh. Amandeep Singh Bhatti, PCS, as Director Cum Additional Secretary Technical Education. Two Govt. Industrial Training Institutes viz; Govt. Industrial Training Institute, Sector 28-C, Chandigarh and Govt. Industrial Training Institute for Women, Sector 11-C, Chandigarh are running under Aegis of Directorate of Technical Education, UT, Chandigarh. Both these institutes cater to the vast manpower requirements of industry in Chandigarh and neighbouring states.

AN OVERVIEW OF THE TRADES AT BOTH GOVT. ITIs.

ENGINEERING TRADES

TOOL & DIE MAKER (PRESS TOOLS, JIGS & FIXTURES) - The course gives complete knowledge on preparation of Tools, Gauges, Fixtures required for Industries. It covers Bending Tool, Compound Tool, Progressive Tool, Draw Tool, Combination Tool etc and CNC Programming. The trainee is made able to manufacture different components for jigs, fixtures and press tools by operating different machines like lathe, drilling, welding, milling, grinding. The trainee can also perform simple repair on machinery. One can take employment with leading Industries and be an entrepreneur as Tool and Die maker (Press Tools, Jig and Fixtures).

DRAUGHTSMAN (CIVIL) - The course gives a wide knowledge on construction related manual and CAD drawings, Surveying, Materials, Concrete Technology, and Building Specialization in Construction. One can take gainful employment with construction Industry, Architectural firms/Designers/PWD etc.

DRAUGHTSMAN (MECHANICAL) - The course gives a wide knowledge on machinery related manual and CAD drawings, Materials, Construction of machine & its materials. One can take gainful employment with manufacturing Industries of Govt. / Private Sectors.

ELECTRICIAN - The course has been designed in order to give in-depth practical and theoretical knowledge of conventional and emerging areas related to electrical engineering along with emphasis on electronics like Electrical Circuits, Basic Electronics, Wiring practice, Electrical machines, Measuring technique, Motor Winding practice, Switch Gears, Electrical Sub-Station, Alternator, Electricity Power Generation, Distribution & Transmission, Domestic Appliances & Lighting and Installation service & maintenance of electrical equipment. On successful completion, one can take employment with Govt./Private sectors as well as self-employment.

ELECTRONICS MECHANIC – The Electronic Mechanic Trade is of two years duration and is in great demand. The course of this Trade broadly covers professional skill and knowledge of Electrical & Electronic Measuring Instruments, Soldering and De-soldering, Power Supply Circuits, Power Electronic Components, Communication Electronics, Digital Storage Oscilloscope, SMPS, UPS, Inverters, Solar Power, Cell Phones, LCD/LED TV, Digital Electronics & Computers and subjects of Engineering drawing, Workshop Calculation & Science and Employability skill. After successful completion of the course of the trade the candidate can get employment in Government/Private Sectors in manufacturing, repairing and servicing field and may be self employed and can also pursue higher General/ technical education.

INFORMATION & COMMUNICATION TECHNOLOGY SYSTEM MAINTENANCE - The role of Information & Communication Technology System Maintenance personnel is to support and maintain computer systems, desktops, and peripherals. This includes installing, diagnosing, repairing, maintaining, and upgrading all hardware and equipment while ensuring optimal workstation performance. The person will also troubleshoot problem areas in a timely and accurate fashion, and provide end user training and assistance where required. Install, maintain and setup network with computers, printers and other peripheral equipment as well as configure broadband equipment.

MACHINIST GRINDER - Grinding experience will be in the field of “Surface Grinding and Cylindrical Grinding, Machinist (Grinder) setup and operates variety of machine tools such as Lathe, Surface Grinder Cylindrical Grinder, Tool and Cutter Grinder, Drilling, Lapping and Honing etc. and fits and assembles parts to fabricate or repair machine tools and maintain

industrial machines, applying knowledge of mechanics, shop mathematics, metal properties, layout, and machining procedures. The trainees, admitted after successful completion of their training acquire the skills on various operations in different grinding machines Viz. Centre less grinder, Crankshaft Grinders, Internal & External Grinders, Tool & Cutter grinder apart from basic knowledge on machines. One can take Govt./Private Employments.

MECHANIC MOTOR VEHICLE -The Mechanic motor vehicle is the trade of two years duration in which a candidate is trained by providing him professional skill (Practical Skill), professional knowledge (Theory), along with training of Engg. Drawing, Workshop calculation & science and Employability skill. The candidates are trained from root level of identification of tools to elevated level of performing dismantling, overhauling, repairing, troubleshooting of vehicles of all categories fuelled by Petrol, Diesel and Gases that includes engine, Transmission system, Steering system, Suspension system, Wheels balancing, alignment, Braking system, Electronic control system, Electric components and Air conditioner system. The passout candidates get jobs in automobile industries in manufacturing and servicing sector, vehicle repair workshops and can also be entrepreneurs. The candidates after passing the trade can also pursue further study of general / technical field.

MECHANIC DIESEL - The course broadly covers the complete functioning, overhauling of Diesel Engines of vehicles of all categories being fueled by Diesel. Diesel Mechanics also deal with the repair work and maintenance of heavy motor diesel engines such as trucks, buses, public transport vehicles, heavy industrial and construction machinery and equipment and other diesel driven machines such as tractors, cranes, bulldozers etc. The course has a good demand in the Automobile industry thereby giving advantage for either employment or self-employment.

REFRIGERATION AND AIR CONDITIONING TECHNICIAN - The course gives an in-depth knowledge on Repair & Maintenance of Refrigerators, Centrally Air-conditioning system & Air-conditioners available in the market. On Successful completion, trainees can be absorbed in Railways, Govt./Public Sector under takings apart from self-employment.

FITTER - In this trade trainees acquire the skill of using metal cutting, shaping, filing & machinist tools perfectly to make metal parts with accuracy. In this trade knowledge of operating various general machines hydraulic and pneumatic tools used in mechanical industry is also imparted. The demand of Fitter trade trainees is made by Plumbing, Welding, Smithy, Tool Room & Maintenance Department of Industry. Fitter Personnel are able to make precision metal jobs manually as well as on machines. After passing this trade the fitter trainees get jobs in various mechanical industries and also gain self-employment.

MACHINIST – In the 'Machinist Trade' during the course of two years' duration the candidate is trained on subjects professional skill (Trade Practical), professional knowledge (Trade Theory), Engineering Drawing, Workshop calculation & Science and Employability skill. The broad components covered under professional skill subject are training of basic fitting operations, simple to complex machining operations done for manufacturing various jobs on Drilling, Lathe, slotting, Milling, Surface grinding, Cylindrical grinding, Tool and cutter grinding, CNC turning, CNC milling machines and applications of Basic electrical equipments and sensors. After passing out the training programme the candidate can get employment in Railway, defense, Machine tool and Automobile industry etc, or may be self employed and can also pursue further general/technical education.

TURNER – The Turner trade is regarded as the backbone of Mechanical Industry. In this trade during the course of two years' duration the candidate is imparted the training of professional skill (Trade Practical), professional knowledge (Trade Theory), Engineering Drawing, Workshop calculation & Science and Employability skill subjects. In professional skill subject the trainees

acquire the skill of basic fitting operations, operating drilling machine, grinding of tools, different simple and complex operations (Turning plain, stepped, grooved, drilled, bored, threaded cylindrical/ conical jobs etc.) on conventional lathe Machines and CNC TURNING CENTER. The candidates after passing the Turner trade get jobs in Railway, Defence, Machine Tool & Automobile Industry etc. and may be self-employed. The candidate after passing the trade can also pursue further general /technical education.

CARPENTER - The Carpenter trade is of one-year duration and is in great demand in this trade trainee is made able to use all wood working hand tools and machinery to do all those exercises required for making wooden articles of various types like (furniture, doors, almirahs etc.). After this trade, trainees get jobs in private/Govt. sector and can run their own business also.

WELDER - In the 'Welder Trade' during the course of One-year duration the trainees are provided training of subjects professional skill (Trade Practical), professional knowledge (Trade Theory), Engineering Drawing, Workshop calculation & Science and Employability skill. The subject professional skill broadly covers training of Hacksawing, Filing, Marking, Drilling, Arc welding, Gas welding, Gas cutting, Brazing, Spot Welding, GMAW (MIG/MAG welding), GTAW (TIG welding), Welding Simulator, Robotic welding, Pipe welding, Plasma Arc, Abrasive Cutting, Hand Shear Cutting, Power Hacksawing Cutting and Testing of welded joints. There is huge demand in the market for welders in India as well as abroad. Govt. organization like ONGC, NTCP, BHEL, RAILWAY, MARUTI UDYOG LIMITED etc. Candidates after passing the trade can run their own business and have great opportunities for job in private industry in manufacturing as well as in repair units.

PLUMBER - This Trade broadly covers installation, repair and maintenance of plumbing fixtures, systems such as water, drain, waste and vent (DWV), low pressure steam, chemical and irrigation. They are able to install specialized systems such as medical gas, process piping, compressed air, water conditioners, fuel piping, sewage and water treatment, and storage and flow equipment. Plumbers may be employed by plumbing/civil work contractors, service companies, and maintenance departments of manufacturing, commercial, health care and educational facilities. They may also be self-employed. Plumbers install piping and equipment in residential, commercial, institutional and industrial buildings and sites.

INSTRUMENT MECHANIC - Instrument mechanic trade is a combination of Electrical, Electronics and Basis Computer. This trade is of two years. In today's modern era without automation there is no progress and instrument mechanic trade is one of the great example to learn overall skills to progress in modern technology. Training is given on following topics like use of Basic Hand Tools, Electrical House Wiring, Use of Electrical Instrument and Calibration, Complete Electronics and Basic Computer, Control of Process like Temperature, Pressure, Flow, Level and Calibration of Instrument, Process control with automation using PLC, DCS, SCADA Software System etc. We have fully equipped Lab, Workshop & Theory Room of this trade to give proper training in ITI to trainees. After this course trainees are eligible for Jobs in Government Sector and in any Industry or can start their own work, shop of being overall skilled person.

MECHANIC AUTO BODY REPAIR - This trade is of one-year duration and was introduced at this Institute with the technical support of Maruti Suzuki India Ltd., under Model ITI Project. Advance technology machines and tools have been installed in this trade. The main work profile of trade is to develop skill in trainee of body denting/ dry denting etc, welding/plastic welding, preparation of body surface for painting, Major damage assessment. In Automobile Industry this trade is in great demand. Passed candidates of this trade can get employment in local and Multi-National organizations/companies.

MECHANIC AUTO BODY PAINTING - This trade is of one-year duration was introduced at this Institute with the technical support of Maruti Suzuki India Ltd., under Model ITI Project. Very Advance World Class painting machines and tools and equipments have been installed in

this trade including ultra paint booth, paint mixing machine, roughness testing machine etc. The main work profile of trade is to develop skill in trainee of body Painting/Dry Sending, Primer Application, Paint Application, Paint Mixing and Plastic Painting. In Automobile Industry trained ITI pass painter are in great demand. Passed candidates of this trade are in great demand in Automobile industry and thus can get employment in local and Multi-National organizations/companies.

NON-ENGINEERING TRADES

MARKETING EXECUTIVE – This is one of the new trades introduced in response to the changing Job Scenario and successfully placing students for the last 4 years in different industries i.e., Retail, IT, Banking, FMCG, FMCD, Education & Hospitality etc. In this course, trainees are prepared for the Job Profiles like Relationship Officer, Retail Store Sales Executive, Front Office Executive, Data Entry & Computer Operator and Customer Care Executive etc. The course sharpens the skills of a trainee in Basic Computer & Internet Applications, MS Office, Written and Spoken English, Social & Formal Etiquettes, Personality Development and Business Communication. We also provide an in-depth theoretical and practical knowledge about the Marketing Concepts like 4 P's (Product, Price, Place, Promotion), Consumer Behavior, Market Segmentation, Negotiation, Visual Merchandising, Market Intelligence and CRM. Industrial Training, Case Study, Role Play, Group Discussion, Field Visit and Expert Lecture etc. are the widely used Methodologies for Teaching during the entire course. Marketing Executive is truly one-of-a-kind and wonderful choice for those who are looking for a program that offers industry exposure and job opportunities for a good start in their career.

FINANCE EXECUTIVE – In this trade the students are groomed as per the requirements of current employment opportunities by giving practical and theoretical knowledge of computers (MS Word, MS Excel, MS PowerPoint, Internet, Social Media, E-mailing and Searching techniques), Basic Entrepreneur Skills, Quality Parameters, Expert Lectures, Industrial Visits, Case studies and Role plays, imparts knowledge about Banking Policies and Practices, Practical exposure to Banking Procedures, Opening and Operating accounts by visiting the banks, Mobilizing Deposits, Lending and Investment Banking, Role of RBI, Corporate Governance, Mutual Funds, Net Asset Value, Depositories, Derivatives and Stock Market Functioning. The syllabus also includes NCFM Preparatory Modules relating to Derivatives, Depositories, Mutual Funds and Capital Market. We prepare students for interviews and guide them for their grooming and personality development as well as in improvisation of their written and spoken communication skills for better placements in Banks, Financial institutions, Stock Broking, Mutual Fund, Loan, Credit card Departments and Insurance Companies. Moreover, trainees find job opportunities in, in Schools, Colleges, Hospitals, Immigration Companies, Consultants, KPOs, BPOs and MNCs as Office Assistants, Back End Operations and other office job profiles. Our previous batch students have been placed in prestigious organizations like Banks, Financial Institutions, Stock Broking, Insurance, Investment and Lending Companies.

HUMAN RESOURCE EXECUTIVE - This trade has a vision to train the trainees in office administrative work that includes office operations and documentation in order to be best fit for any sector. The syllabus has been designed in such a manner that the trainee becomes proficient Basic computers and Internet Skills, Soft skills, Office Etiquettes and main focus is on human resource management which includes planning, recruitment and selection, job analysis, job design, job specification, wage, salary and compensation, appraisal system and evaluating manpower, training and development - job enrichment and growth, managing personal issues, negotiating and bargaining, maintenance and integration of HR functions, workers and corporate governance health and safety, trade union, career planning . After the completion of this course, trainees can do all kind of office jobs and operations like organizing recruitment drives, designing job descriptions and specification, model appointment letters, Training and Performance Evaluation Questionnaires, preparing reports, memos, letters, notices and other Office coordination and Office Assistance work and can work in any sector like College, School, Hospitality, Hospital, Bank, Recruitment Consultancy, Immigration, KPO, BPO besides MNCs. The main teaching methodology of this course is personality grooming of the trainee through Soft Skills, Spoken English, Industrial visits, Role Play, Expert lectures, Industrial Training, Workshops and Case studies. This is relatively a new trade which is introduced with a vision to cope up with the changing industry and service sector job needs and requirement so that the best career opportunities can be provided to the trainees.

COMPUTER OPERATOR & PROGRAMMING ASSISTANT (COPA) - This Trade broadly covers Fundamentals of Computers, Hardware and Software concepts, M.S. Office, Data base management system with Access Linux, VB programming languages, Web Designing static web pages using HTML and scripting languages i.e., Java Script, Network & HTML, Internet & IT Act. And Tally Accountancy software. After doing this course, one can take employment as Assistant Programmer with Govt./Public/Private Enterprises.

SEWING TECHNOLOGY - This Trade broadly covers knowledge on stitching garments of male, Female & children both Indian & Western designs. After doing this course one can join industry as Tailor in general and will progress further as master Tailor, Supervisor and can rise upto the level of Manager, can become Entrepreneur, can join apprenticeship programs in different types of Industries leading to National Apprenticeship certificate.

BASIC COSMETOLOGY - This course broadly covers the basic knowledge of anatomy, physiology and dietetics in relation to beauty, hair dressing and effects of cosmetics on human body. On successful completion trainees become capable to work as beautician, hair dresser, makeup artist, manicurist, pedicurist, hair stylist, slimming assistant, hair colorist and a yoga expert and can work at various beauty salons and hotels. They can open their own beauty salons or practice as beauty consultants.

RESERVATION OF SEATS IN ADMISSION: 85% seats of the total sanctioned intake of the institute will be filled up from amongst the Candidates who pass their qualifying examination from School/College recognized by Chandigarh Administration and situated in the Union Territory, Chandigarh as a regular student of the said School/College. (A certificate from the head of School/College to this effect must be attached). Further the National Institute of Open Schooling (NIOS) Secondary/Senior Secondary pass outs from the accredited schools in UT, Chandigarh shall also be included in the 85% seats. These seats will be termed as “U.T. Pool”. The remaining 15% seats will be filled from amongst the Candidates who pass their qualifying examination from the institutions other than those located in the Union Territory, Chandigarh or otherwise. These seats will be termed as ‘General Pool’.

However, the Candidates whether belonging to reserved category or not, who have passed their qualifying examination from the institute located in Union Territory, Chandigarh, but are not eligible for admission under U.T. pool quota, are eligible for admission in General Pool quota.

1. SCHEDULED CASTE (SC) CANDIDATES: 15% of seats are reserved for the scheduled caste candidates in each pool.

“Scheduled Caste candidates from all over India will be eligible for admission who have Certificates issued in the candidate’s name only from the competent authority.”

2. OTHER BACKWARD CLASS (OBC) CANDIDATES: 27% Seats are reserved for trainees of UT/General Pool.

“Benefit of reservation to this category will be extended on the pattern of Central govt. wherein the OBC candidate’s caste would have to be as is included in the Central list and the Union Territory-Chandigarh list and the Certificate is issued in candidate’s name only.

4. CRITERIA FOR PERSONS WITH DISABILITY: For DIVYANG (Person with Disability) Category, the total 4% reservation has been further sub-divided into Groups A,B ,C,D & E disabilities for the selected list of the eligible trades against each group as mentioned in DGT Letter MSDE-19/02/2018-CD (pt) dated 02 July 2019 at URL: https://dgt.gov.in/sites/default/files/Trade_eligibility_under_RPWD_Act_2016.pdf. Under this category, the eligible candidates will furnish a medical certificate issued by the Principal Medical officer/ Civil Surgeon of Chandigarh or the concerned district clearly indicating percentage and type of disability, name of the disease causing handicap, whether handicap is temporary or permanent, whether handicap is progressive or non-progressive. The Trainees having temporary handicap would not be considered against the reserved seats for person with disability. Where the certificates are issued by any authority other than the Principal Medical Officer of Chandigarh and the candidate's turn comes for admission against reserved seat for person with disability, the concerned head of institution shall refer the candidates to the Principal Medical Officer, Chandigarh and shall admit the candidate only after confirmation from the P.M.O. Chandigarh.

5. CRITERIA FOR CHILDREN/GRAND CHILDREN OF FREEDOM FIGHTER:

2 % seats in each pool would be filled from the children and grandchildren of freedom fighters.

Note:

(i) A freedom fighter is a person who has either been granted freedom fighter pension by the Chandigarh Administration or been awarded Tamar Petra for his political sufferings. No person other than the above mentioned persons will be considered as freedom fighters for the purpose of reservation in admission. The requisite certificate will be issued by the Deputy Commissioner, Chandigarh and the certificate issued by any other authority will not make the children and grandchildren of the freedom fighter eligible for seeking admission in the institutions of U.T. Chandigarh. The certificate issued by the Deputy Commissioner in Chandigarh will be taken into consideration irrespective of the form in which it is issued, if the meaning otherwise is clear.

(ii) Grand Children means son's sons/daughters or daughter's sons/daughters.

(iii) The certificate of the candidates who apply under this category from the Chandigarh pool should be verified by the Deputy Commissioner, U.T. Chandigarh. The outside candidates who

apply against this quota will have to submit their freedom fighter certificate from their concerned Deputy Commissioner of the state.

6. CRITERIA FOR SPORTS PERSON:

2% Seats in each pool would be filled from the sports quota. Application seeking admission against sports quota must submit Gradation Certificate from Director of Sports.

7. CRITERIA FOR WOMEN:

30% seats for women candidates are reserved based on the general reservation policy of U.T, Chandigarh.

CONCESSION/FACILITIES:

1. Stipend @ Rs. 100 PM will be paid to all the trainees as per their attendance
2. Merit scholarship of Rs. 125 per month to 4% trainees will also be awarded on the basis of result of internal examination which will be conducted after three months training.
3. No Tuition fee will be charged from SC/ST & Persons with disability, even if he/she takes admission against any other category.
4. Every trainee will give his/her **AADHAR LINKED BANK ACCOUNT NUMBER** along with IFSC Code immediately after the admission for disbursement of funds i.e. Stipend/Scholarship etc.

TUITION FEE WAIVER SCHEME:

- 1) 10% of seats from amongst the total seats are reserved for Economically Weaker Sections (EWS). They will get Full tuition fee waiver benefit in order of their merit. The candidates seeking admission under this quota will have to submit income certificate based on the economic index and issued by competent authority as mentioned in the table given below.
- 2) 3% Seats from amongst the seats reserved for UT Pool will be reserved for Women candidates in order of their merit.
- 3) However, all the SC/ST/Physically Challenged candidates are exempted from deposition of tuition fee.

GENERAL NOTES

If the requisite numbers of candidates of the reserved seats in U.T. Pool are not available, the seats will be thrown open to the candidates belonging to general category of the said pool and similarly in general pool also.

The student who has applied in one or more than one reserved category is to be considered in General Category first in order of his/her merit and then be given chance in other categories.

Medical Aid: The Institute has its own dispensary and the services of qualified and experienced part-time Doctor for providing necessary medical facilities to the Trainees are available. Full time pharmacist and Dresser are also available.

N.C.C. and Games: The interested trainees can take part in NCC (subject to availability) and Games. Facilities for certain numbers of games exist at present and interested trainees can take part in one or more of the items of which facilities are available.

Library and Reading Room: There is a library containing Technical Books which can be used for reference by the Trainees

Working Hours: The trainees will undergo training work for **Forty (40) hours** per week as per the latest trade syllabus issued by DGT, New Delhi.

The timings are as follows:

From 9:30 AM to 5:30 PM with half an hour lunch break from 1:30PM. To 2:00 PM.
All Saturday and Sunday will be observed as holidays.

Holiday: The Institute will observe all the gazetted and two restricted holidays during the calendar year as declared by the Chandigarh Administration Chandigarh from time to time. However two holidays will be at the discretion of the Principal of the Institution which shall be granted as and when the occasion arises.

Attendance and Leave: The minimum compulsory attendance for the trainees in regard of their eligibility for the final test is 80 percent of the actual number of working days. The shortage of attendance below 80 percent but not below 75 per cent shall be condoned by the Principal; in exceptional cases provided that the trainee has not missed the essential training and the absence was due to unavoidable circumstances reasons beyond his/her control.

Note:-If the trainee absents himself for more than the half the number of days i.e. 50% attendance, for whatever reasons his name will automatically struck off from the institute.

Leave. In addition to holiday, casual leave upto the limit of 12 days during 1 year course and 24 days during the 2 years course will be admissible to trainees subject to maximum 10 days at any one time. If trainee is stipend holder he will continue to draw stipend at the full rate during such leave.

Medical Leave Besides above trainees will be granted medical leave upto 15 days in a year; leave for further period not exceeding 3 Weeks in continuation or in addition to 15 days absence will be granted on producing the Medical certificate from Medical Officer or a Registered Medical Practitioner.

Special Leave Extraordinary leave will be allowed to the trainee upto 15 days. Stipend will not be admissible during such leave. In case, overstay Leave the name of the trainee will be struck off from the rolls and treated as absconder.

Absconder: A trainee who absents himself from Training Institute/Centre for 10 Consecutive days without permission and without informing the Principal will be treated as an absconder and his/her name will be struck off from the rolls with effect from the 1st day of his absence. However, readmission can be given at the discretion of the Principal with readmission fee of Rs.200/-. No attendance and other benefit will be given on account of re-admission.

Study Tour: For the purpose of obtaining an idea of the actual working conditions, the trainees nearing completion of their training will be sent to nearby Industrial Workshops.

Medical Examination: The trainees seeking admission in any regular course, in any Branch or in the hostel are required to obtain Medical Certificate from a MBBS Doctor, as required under Training Manual of DGE&T, Govt. of India, New Delhi and submit the same on the date of finalization of their admission at the concerned institute.

Final Trade Test: A trainee has to undergo a CBT and Practical examination which is being conducted by the Directorate General of Training (DGT), New Delhi. The certificate issued to him will be National/State level certificate. The examination question papers supplied by the DGT will probably be in both the language (viz; English and Hindi). The examinee can reply in English or Hindi or regional language Punjabi also. Annual exams will be conducted for the trainees admitted from the session August, 2022 and their first annual exam has to be conducted in the month of June/July, 2023 after completing the training as per NSQF syllabus of respective trade. Similarly, for two year programs exam has to be conducted in the month of June/July, 2024 after completing the training as per syllabus.

Apart from above CBT and practical examination, regular fortnightly test and other classroom activities will be conducted and performance of the same will be highlighted in the formative assessment chart prepared by the concerned trade instructor and will be taken into account while assigning Final Formative Marks. Improvement in any subject is not available.

- Final CBT fee will be charged as per the guidelines received from DGT, New Delhi during the academic session.
- The failed trainees of all the trades will have to deposit the reappear forms and fees within prescribed time from the declaration of the Result. No forms and fees shall be accepted thereafter.

National Trade Certificate: After the deceleration of the result by DGT, New Delhi, e-Marksheets and e-NTC are issued through NCVT MIS portal.

Apprenticeship Training: A trainee who passes All India Trade Test under Craftsman test Scheme is eligible to join the industry as apprenticeship. He/she may contact the Apprenticeship Cell at Govt. ITI, Sector 28-C, Chandigarh for signing the contract as Apprenticeship and further he/she can join the local industry as per vacancy.

Provision To Appear As Private Candidate: The Candidate can also appear in the All India Trade Test under Craftsman Training Scheme as a private candidate as per DGT, New Delhi guidelines. The guidelines for private candidates are available at URL <https://ncvtmis.gov.in>

RULES AND REGULATIONS

- (i) Each student may enjoy the full benefits of the facilities placed at his disposal but he has to abide by the rules and regulations of the Institute also. These rules are solely designed to safeguard the welfare of Trainees and are liable to change/modify without any prior notice from time to time. The Trainees are advised to keep themselves informed and aware about the day to day instructions and updations in the Institute. A plea of ignorance of any rules cannot be accepted as an excuse of breaking it. Trainees are expected to maintain the decorum and to pay the due respect to all faculty members. Every staff member has authority to point out the indiscipline created by the trainees even of other trades also.
- (ii) Loud talking, loitering or congregating in the corridor, being a source of destruction is not permitted.
- (iii) Late arrival and early departures from the class are recorded as absence from the class.
- (iv) The trainees are advised to work in the workshop as per the instructions of the class in-charges.
- (v) No student has any authority over the employees of the Institution.
- (vi) Tools and other machinery must be left in good order after use. If damaged, the fact of the same must be immediately reported for necessary action.
- (vii) No responsibility can be accepted for any loss or damage to student's property.
- (viii) The studies at the Institute require attention and diligence on the part of Trainees. A student neglecting his studies and showing unsatisfactory progress will be given two warnings after which if he/she fails to improve, he/she will be liable for expulsion from the Institution.
- (ix) Trainees shall observe all safety precautions. The Institution is not responsible or accidents of whatever natures in the Institute, Hostel, Workshop and Playground.
- (x) Trainees are issued Smart Card at the time of admission. Loss of the card must be reported immediately and duplicate identity card will be issued on payment of Rs. 50. Failure to inform about the loss will be seriously taken.
- (xi) Trainees are advised to deposit all cash with local Post Office / Bank and draw their requirements from time to time. The Institute is not responsible for any loss by the theft or otherwise.
- (xii) Trainees are not allowed to take part in the ragging Politics or go to Press if any student found violating the rules, he will be expelled from the Institute.
- (xiii) Vehicles and their accessories brought by the Trainees in the Institute campus will be at their own risk and responsibility. Institute will not be responsible for any theft or loss. However, if the trainees need the facilities of parking/security of their vehicles, the same are to be requested to the Principal through their class incharge and nominal charges will be taken from them.
- (xiv) The Trainees must inform their change of address, otherwise the institute will not be responsible in any event arising thereof.
- (xv) For Govt. ITI, Sector 28C, Chandigarh it is compulsory to wear the Grey Colour Trouser and Sky Blue Colour Shirt for all the Trainee of Engineering trades and Grey Colour Trouser and white Colour Shirt for all the Non Engineering trades during all working days from 9.30 AM to 5.30 PM.
- (xvi) Caution money deposited by the trainee will be refunded to them on completion of institutional training. Caution money will be forfeited in the case of trainees who discontinue their training after one month of commencement of training.
- (xvii) Late deposit of fees will be fined @ of Rs. 1/- per day for first 15 days after which the name will be removed from the rolls However, readmission can be granted at the discretion of the Principal with re-admission charges of Rs. 200/-.

PROCEDURE TO PREPARE THE MERIT LIST:

1. **U.T. Pool:** 85% seats of the total sanctioned intake of the institute will be filled up from amongst the Candidates who pass their qualifying examination from School/College recognized by Chandigarh Administration and situated in the Union Territory, Chandigarh as a regular student of the said School/College. (A certificate from the head of School/College to this effect must be attached). Further the National Institute of Open Schooling (NIOS) Secondary/Senior Secondary pass outs from the accredited schools in UT, Chandigarh shall also be included in the 85% seats.
 - i. **10th Class** total of first five subjects in the detail marks certificates will be considered for preparing merit list for admission in various trades with 10th as entry qualification.
 - ii. **8th pass** Indicated grand total (marks obtained / total marks) are taken for preparing the merit list. If grand total is not given total of first five subjects in the detail marks certificates will be considered for preparing merit list for admission in various trades with 8th as entry qualification.
 - iii. In case CGPA has been awarded then percentage of marks obtained will be calculated by multiplying CGPA by 9.5 (multiplication factor).
 - iv. If there are more than one candidates with same indicative percentage, preference will be given to the candidates on the basis of **Date of Birth**. If still there are more than one candidate having same Date of Birth preference will be given to the candidate having obtained higher Maths and Science Marks/ Grade Points. If still there are more than one candidates even after applying this method, the candidates having obtained higher Marks/Grade Points in English subject, will be given preference.

General Pool: 15% seats will be filled from amongst the Candidates who pass their qualifying examination from the institutions other than those located in the Union Territory, Chandigarh or otherwise. These seats will be termed as 'General Pool'.

- a. Indicated grand total (marks obtained / total marks) are taken for preparing the merit list. If grand total is not given total of first five subjects in the detail marks certificates will be considered for preparing merit list for admission in various trades with 10th or 8th as entry qualification.
- b. In case CGPA has been awarded then percentage of marks obtained will be calculated by multiplying CGPA by 9.5 (multiplication factor for CBSE board only).
- c. In case of Haryana Board if grand total is not given and GPA is given, then multiplication factor of 10 will be taken into account for considering the merit.
- d. If there are more than one candidates with same indicative percentage, preference will be given to the candidates on the basis of Date of Birth. If still there are more than one candidate having same Date of Birth preference will be given to the candidate having obtained higher Maths and Science Marks/ Grade Points. If still there are more than one candidates even after applying this method, the candidates having obtained higher Marks/Grade Points in English subject, will be given preference.

ABOUT GOVERNMENT INDUSTRIAL TRAINING INSTITUTE, SECTOR 28 C, CHANDIGARH

The Industrial Training Institute was set up in 1962 in the erstwhile State of joint Punjab. At present Industrial Training Institute Sector: 28-C, Chandigarh is run by the Chandigarh Administration, Chandigarh under the control of Directorate of Technical Education, UT, Chandigarh.

The Institute is headed by Sh. Arun Kumar, as Principal.

The Institute is one of the oldest in this region of the country.

It has presently 23 Trades viz., Plumber; Welder; Fitter; Turner; General Carpenter; Electrician; Instrument Mechanic; Information & Communication Technology System Maintenance, Mechanic Refrigeration & Air Conditioning, Draughtsman Civil; Draughtsman Mechanical, Electronics Mechanic, Tool & Die Maker, Machinist Grinder, Machinist, Computer Operator and Programming Assistant, Sewing Technology, Stenographer & Secretarial Assistant (English), Stenographer & Secretarial Assistant (Hindi), Mechanic Motor Vehicle, Mechanic Diesel Engine, Mechanic Auto Body Repair, Mechanic Auto Body Painting. The overall strength of this institute is 848 trainees.

AIMS AND OBJECTIVE

The aim of the I.T.I. is to create a learning environment for the trainees and provide opportunities for them to realize their complete potential. Emphasis is laid on development of individual aptitudes for learning and ability to adapt to the practical working. Our main objective is to provide a curriculum designed to develop a trainee so that he/she emerges as technically skilled citizen who can adjust him/herself in the modern industry as well as be a skilled and successful entrepreneur. Aims of the Institute are:-

- i) To ensure a steady flow of skilled workers in different trades for the industry,
- ii) To raise the quality and quantity of industrial production by systematic training of workers
- iii) To reduce the unemployment among the educated youth by equipping them for suitable industrial employment.

FACULTY

The institute has highly-qualified, trained and dedicated faculty with ample experience. They are innovative well-versed in use of modern technology to enhance the teaching learning process. Faculty members are regularly sent to participate in workshop and refresher courses in order to keep in touch with the latest development and change in technology and industry.

TRAINING PORTFOLIO:

Maintenance of trade wise evidences and records as per the NSQF syllabus.

- Job carried out in labs/ workshops
- Record book/ daily dairy
- Answer sheet of Assessment
- Viva- Voce
- Progress Chart
- Attendance and punctuality
- Assignment
- Project work

PASS REGULATION:

The minimum pass percentage for Trade Practical and Formative assessment is 60% and for all other subjects is 33%. There will be no Grace Marks.

ATTENDANCE CRITERIA TO APPEAR IN FINAL AITT EXAMINATIONS:

It is mandatory for the trainees to maintain 80% attendance in each subject of trade to become eligible for appearing in Final AITT Examinations.

INSTITUTE MANAGING COMMITTEE (IMC):

The Chandigarh Administration has constituted an Institute Management Committee with a primary objective of increasing the relevance of training and has close Industry Institute interface by participating in the admission, examination, industrial and placement of trainees. The Institute Managing Committee has all powers as per the guidelines received from the Director General Training, Ministry of Skill & Entrepreneurship Development, New Delhi from time to time.

11	Principal, Govt. Industrial Training Institute, Sector - 28 C, Chandigarh	Member Secretary

ACHIEVEMENTS

The Institute has following achievements to its credit in the recent past.

Upgradation as Model ITI

This Institute has been selected to be upgraded as Model ITI under the Govt of India, Ministry of Skill Development & Entrepreneurship, New Delhi. For this, Maruti Suzuki India Ltd has been selected as Champion Industry Partner by Chandigarh Administration. The existing IMC has been reconstituted by the Chandigarh Administration which is now headed by the Chairman Sh. Deepak Thukral, Vice President (Supply Chain), Maruti Suzuki India Ltd.

Campus to Corporate Training

The Institute is providing Campus to Corporate Training to the trainees of this Institute with the assistance of Maruti Suzuki India Limited to enhance their safety skills, communication skills and interview skills so that the trainees may become industry ready and may be placed readily after their training.

World Class Manufacturing Training

The final year trainees of many engineering trades like MMV, Mechanic Diesel, Fitter, Machinist, Electrician, Turner etc. have undergone one-week World Class Manufacturing Training at Maruti Suzuki India Limited manufacturing facilities in Gurgaon, Haryana since 2017. The entire expenditure (lodging boarding and traveling expenses) are borne by the MSIL. The objective of the training is to know the latest world class skill development in various manufacturing engineering fields.

Online Purchase of Tools/Equipment/Machinery and Other Items

This Institute has been implementing the purchases through GeM/E-tender since the Financial Year 2017-18.

State Apprenticeship Monitoring Cell

This Institute is providing facility as Apprenticeship Cell for the post/pre ITI trainees since 2013. There is a proposal to set up a full-fledged State Apprenticeship Monitoring Cell under the STRIVE Scheme for which funding will be provided by Govt. of India.

ICT Skills Training for Chandigarh Administration Employees

This Institute has been selected for providing ICT Skills training to Chandigarh Administration Group B, C and D Employees. The training is provided to employees in the modernized IT Lab having all the latest equipments and online facilities.

100% Cashless Transactions

This Institute has been awarded by His Excellency Governor of Punjab and Administrator, UT Chandigarh for achieving 100% cashless transactions.

Health & Hygiene of Female Trainees

This Institute has installed a Sanitary Napkin Vending Machine to maintain the health & hygiene of female trainees.

PREVIOUS PLACEMENTS:

The placement record of the institute is very impressive. Many reputed companies recruited our trainees through campus interviews.

GOVERNMENT INDUSTRIAL TRAINING INSTITUTE FOR WOMEN, SECTOR 11-C, CHANDIGARH

1. BRIEF INTRODUCTORY BACKGROUND

The Government Industrial Training Institute for Women is situated in Sector 11-C, Chandigarh. It was established after the partition of the Punjab as a result of amalgamation of the Zenana Industrial School and Lady Maynard Industrial School for Girls, Lahore. It is the research Institute of trades/crafts in Industrial School for Girls.

The Institute is under the control of the Chandigarh Administration and runs on the pattern laid down by the Director-General of Employment and Training, Government of India. The Director of Technical Education, Union Territory, Chandigarh, is the overall incharge of the institute.

The Institute is headed by Er. Rajan Dogra, as Principal

2. SCOPE AND OBJECTIVES:

The objectives of the institute are linked up with the following activities:-

- (i) To ensure a steady flow of skilled workers in different trades for Industry.
- (ii) To raise the quality and quantity of Industrial production by the systematic training of workers.
- (iii) To create employment opportunities among educated young women by equipping them for suitable Industrial employment.
- (iv) Computer Operator & Programming Assistant will enable the women in acquiring skill and expertise in operating computers. This is helping women in finding jobs in many fields such as Offices, Banks, Publishing Houses, Newspapers etc. or starting their own ventures. Rate of employment is very high.
- (v) Basic Cosmetology trade will enable the women to work in Beauty Parlors/Saloons or open their own Parlors to become self-employed.
- (vi) JOB ORIENTED COURSES: Three highly in demand and highly paid courses viz. Human Resources Executive, Finance Executive and Marketing Executive have been running at this institute.

3. STAFF

The Institute is provided with adequate staff in accordance with the norms fixed by Director-General of Training.

4. TRAINING RELATED EVIDENCES AND RECORDS TO BE MAINTAINED BY THE TRAINEE THROUGHOUT THE ACADEMIC SESSION AND PRESERVED FOR AUDIT AND VERIFICATION BY EXAMINATION BODY

Assessment will be evidence based comprising the following:

- Job carried out in labs/ workshops
- Record book/ daily dairy
- Answer sheet of Assessment
- Viva- Voce
- Progress Chart
- Attendance and punctuality
- Assignment
- Project work

The following trade-wise evidences and records of Internal(formative) assessments are to be preserved for audit and verification by examination body:

S.NO.	NAME OF THE COURSE	TRAINING RECORDS TO BE MAINTAINED BY THE TRAINEE THROUGHOUT THE ACADEMIC SESSION	REMARKS
1	472-Human Resource Executive (NSQF)	<ol style="list-style-type: none"> 1. Maintenance of Theory Note Book. 2. Maintenance of Practical file. 3. Visitors and leave from Hostel

- (i) At the time of admission, each admitted student is required to bring an approved list of visitors (Local and Outsiders) from their Parents/Guardians duly signed along with their photographs.

- (ii) No student is allowed to see a visitor without the permission of either Principal or the Hostel Superintendent.
- (iii) No guest paying or otherwise can be accommodated in the student's room.
- (iv) Students are not allowed to spend nights out of the hostel unless permitted by the Parents/Guardians.
- (v) Students are allowed to go out for shopping in groups of not less than four on every Saturday from 10.00 A.M to 5.00 P.M. Persistent late arrivals from shopping or locals will be dealt with in the following manner:
- | | |
|--------------------------|---|
| Ist Occasion | : Warning and written intimation to Parents/Guardians. |
| 2 nd Occasion | : Written Intimation to Parents/Guardians to see the Principal Personally |
| 3 rd Occasion | : Expulsion from the hostel |
- (vi) The permission for pictures, outings, concerts etc, shall be granted at the discretion of the Hostel Superintendent.
- (vii) No student is allowed to enter hostel during class hours except sickness or has a signed chit from her class teacher or Hostel Superintendent.
- (viii) For the upkeep of the general tidiness, cleanliness, no student shall be allowed to leave the hostel on the last Sunday of the month.
2. The Hostel students going out to the Parents/Local Guardians must get a 'Pass' before they leave and return this 'Pass' back to the Hostel Superintendent on their return duly signed by the Parents/Local Guardians. These signatures will be matched with the signatures on Hostel Admission Forms.
